BIOGRAPHY

I'm an experienced Creative developer o with 5 years digital industry experience building mid to large-scale websites and web-applications based on web standard technologies. I deliver engaging and visually compelling web builds on a variety of Front-End frameworks with user-friendly UI that are mobile first, cross-browser compatible and follow best practice allowing for seamless additional and future development.

EXPERIENCE

FRONT-END DEVELOPER
Greenwood Campbell | 3.5 Years | Jul 14 - Oct 17

Developed over 20 responsive, mobile-first, cross-browser semantic websites using HTML5 and CSS2/3. Introduced new design systems to help streamline productivity, communication and collaboration. within the creative process. Mentored junior developers allowing them to work alongside me and others to deliver web projects effectively.

Developed rapid design prototypes iteratively generating feedback early and often in the process, improving the final design and reducing the need for changes during development.

JUNIOR FRONT-END DEVELOPER
IADigital (Now Greenwood Campbell) | 1 Year | Jun 13 -14

Provided telephone and email support to clients. Making me responsible for debugging and repairing coding issues found on existing websites. This was a great learning experience and allowed me to adapt to an array of different issues.

EDUCATION

DIGITIAL MEDIA DESIGN BA(HONS)
Bournemouth University | 2010 - 2013

I graduated in 2013 with a 2:1 where I was taught a broad variety of different coding languages and techniques. Over my 3 years I had to demonstrate the capacity to navigate a complex evolving media landscape that both challenged and informed peoples understanding of digital media.

ST BEDES SENIOR SCHOOL
2005 - 2010

A-Levels: Photography (A), Media Studies (B), Graphic Design (B). 9 GCSE's C and above.

ST BEDES PREP SCHOOL
2003 - 2005

INTERESTS

I am a massive music fan and regularly attend gigs and festivals as often as I can wherever I can.
I'm also a huge lover of all things sport especially football, cricket and rugby having played 2 out of the three at a county level.
